

Law Studies Academy

The mission of the Law Studies Academy is to produce leaders within our community in core areas relating to the law, crime, and control of lawbreaking. The Academy will teach fundamentals in areas such as origins of crime, understanding the law and due process in law enforcement as well as the relationship between local and state and the United States Constitution. Our goal is to have our students find careers or paths that will help us at the local level, at the state level and at the national level.

Examples of vocations at these levels are:

| Local | State | National |
|----------|----------|-------------------|
| Police | FHP | FBI |
| EMT/Fire | ATF | CIA |
| Lawyer | Politics | Homeland Security |

A sample four year program is shown below:
