

Our Mission

The mission of American High School/American Adult Community Education Center is to provide the opportunity for all students to receive a quality education. Through collaboration among disciplines, along with business and community partnerships in education, American High School will prepare students to become productive and socially conscious members of our increasingly complex world.

Our Core Values

- ★ All students should be afforded the opportunity to receive a quality education.
- ★ Teachers and students are partners in the learning process, which requires self-discipline and continues throughout life.
- ★ The goal of learning is to provide students the opportunity to be competitive in an ever-changing global society.
- ★ The process of education should address academics, career pathways and character development.
- ★ Students should be given the opportunity to learn through experience.
- ★ A safe, clean and secure environment allows for effective teaching and learning.
- ★ Our school will foster a respect for all cultures.
- ★ Business and community partnerships are essential in meeting the needs of our students.
