## THE UNIFORM POLICY

American Senior High School implemented a **mandatory uniform policy** during the 2005-2006 school year. This policy came into effect after we met criteria set forth by School Board Rule 6Gx13-5c-1.031. This rule can be accessed on the District website for your review. Simply go to [www.dadeschools.net](http://www.dadeschools.net) home page and click the School Board link in the menu column to the left. On the School Board home page, there will be a link to the School Board rules where you can search by rule number.

## WHY UNIFORMS ?

Research on the use of uniforms in schools reveals the benefits identified below.

- \* **Safety-** Uniforms make it easier for site personnel to identify those students who belong and those who do not.
- \* **Student Behavior-** Uniforms help students adopt a more professional attitude in their classes, thereby encouraging higher academic performance.
- \* **Socioeconomics-** Uniforms help to ensure that students feel comfortable among and equal to their peers— - regardless of their socioeconomic status.
- \* **Sense of Community & School Pride** Our red, white, and blue uniforms identify our students as Patriots to the community-at-large , thereby fostering a sense of community and school pride among those who are registered here.
